Resolutions of Respect.

Whereas God, in his wisdom having seen fit to take from our midst our friend and sister Mrs Mary Cliphant who was beloved by all who knew her because of her loyalty to her friends, and who bore her suffering with out a murmur trusting only in her God who alone could strengthen her, and knowing the sorrow her death has brought her family,

Be it resolved, that this society extend to them their deepest sympathy in this their hour of bereavement with the hope that they may receive comfort from the consciousness that she has gone to be with Him who said.

"I go to prepare a place for you"

Resolved - that a copy of these resolutions be sent to the family and to three of the leading papers and that a memorial page be set aside on the record of this society
